OLUWANIFESIMI KUKOYI

754 Jackson Avenue Bronx, New York 10456

(917) 969 – 5742: MOBILE

oluwanifesimi.kukoyi15@gmail.com

SUMMARY

DILIGENT, PASSIONATE individual with hands-on knowledge and experience in multiple programming languages, where I can utilize my accumulated skills and talents; would be ideally suitable.

EXPERIENCE/PROJECTS

WEB DEVELOPMENT & PYTHON BOOTCAMP   **NEW YORK**

UDEMY   *09/2021- PRESENT*

- Built a portfolio website to display all of my projects , contact information, and media links.
  https://olukukoyi.github.io/portfolioPage/
- Built a website "Tindog" by using JavaScript, CSS, and HTML; which allows users to find dogs, view referrals and reviews from previous users and to also sign up on the website.
  https://olukukoyi.github.io/Tindog/
- Built a virtual "Drum Kit" by using JavaScript, CSS, and HTML; which allows users to hear drum sounds by clicking on images or using the keyboard.
  https://olukukoyi.github.io/drumkit/
- Built and copied the Netflix UI startup page; which allows users to view the perks of Netflix and an option to sign up.
- Built a To-Do list website by using JavaScript, CSS, and HTML; which help users to increase productivity and boost motivation by allowing users to add, remove and organize contents on the list.
